EXPERIENCE

MANACLE TECHNOLOGIES PVT. LTD. | Software Development Intern
June 2025 – Aughust 2025 | Noida, U.P

➔ Built and deployed a full-stack Laravel blogging platform with real-world features, gaining hands-on experience in web development, UI/UX, version control, and production deployment at Manacle Technologies.

JK TECHNOSOFT LTD. | Internship Trainee
6th Jan 2025 – 2nd February 2025 | Noida, U.P

➔ Gained hands-on experience in Microsoft Azure cloud computing, corporate workflows, and professional communication during a month-long internship at JK Technosoft.

BML MUNJAL UNIVERSITY | Design Team
Aug 2023 – 2027 | Gurugram, Haryana

➔ Gained hands-on experience in graphic design and creative collaboration through organizing committees, executive roles, and technical workshops, creating impactful designs using Canva and Figma for major events and clubs.

PROJECTS

QUILLLY | Backend
2025

➔ Quillly is a full-stack blogging platform developed during my internship at Manacle Technologies Pvt. Ltd. using Laravel (PHP) and MySQL. It features secure authentication, CRUD operations with public/private post visibility, and structured backend development with database design and GitHub-based version control, reflecting real-world industry workflows.

LAWLENS | AI/ML
2025

➔ A legal document assistant that scans and summarizes legal PDFs, extracting and highlighting critical keywords and sentences to reduce misinterpretation and legal risk. Built using Groq API (LLaMA models), Legal-BERT, and advanced NLP techniques, demonstrating strong application of AI and legal text analysis.

DISASTER MANAGEMENT ONLINE EDU. PLATFORM (SIH 2025) | MERN Stack
2025

➔ A disaster management education platform built with React, Express.js, MongoDB, and Firebase, featuring secure role-based access for instructors and students. It supports tutorials, assignments, API integration, and scalable real-time functionality.

GRAPHIC DESIGN

➔ Worked extensively on design projects for college events, creating Instagram posts, posters, banners, lanyards, and merchandise using Canva and Figma.

AZURE FUNDAMENTALS (AZ-900) | Cyber Security
2025

SKILLS

PROGRAMMING
Proficient:
MERN Stack • React.js • AI/ML
C++ • Python • Java • PHP
Laravel

LIBRARIES/FRAMEWORKS
React • Laravel • Node.js •
Express.js • MySQL •
MongoDB • Firebase •
Git/GitHub • LLMs• NLP •
Basic Web Development Tools

CERTIFICATIONS

COMPLETE WEB DEVELOPMENT BOOTCAMP
BY UDEMY

SQL,RESTAPI'S,JAVASCRIPT
BY HACKERRANK

EDUCATION

BML MUNJAL UNIVERSITY
B.TECH IN COMPUTER SCIENCE
Aug 2023 - Present | Gurugram, Haryana
School of Engineering and Technology
Cum. GPA: 7.85 / 10.0

RPS PUBLIC SCHOOL
10TH
2021 | Dharuhera, Haryana
Cum. GPA: 93.8 / 100.0

RPS PUBLIC SCHOOL
12TH
2023 | Dharuhera, Haryana
Cum. GPA: 85.2 / 100.0

INTEREST/HOBBIES

➔ Graphic Design
